

## **FREQUENTLY ASKED QUESTIONS - TIPPING**

We are often asked questions by our guests on the topic of tipping. In an effort to assist you, please consider the following:

1. As is customary in service based industries, the tipping of our staff for good service is appreciated but not expected;
2. Should you wish to leave a tip for our staff, you may do so:
  - a. by leaving cash in the two envelopes provided to you; or
  - b. on your credit card in conjunction with settling your account at the end of your trip;
3. Should you wish to leave a cash tip, please utilize the envelopes that will be left in your room on the final day of your trip. One envelope will be marked for the guiding staff and one envelope will be marked for the house and dock staff;
4. For your convenience, we suggest that all tipping be done at the end of your stay as opposed to daily;
5. If you believe you have received good service and would like to show your appreciation to our staff, we offer the following information on what an average tip has been during prior seasons:
  - a. Fishing Guides - \$50.00 per guest per day
  - b. House and Dock Staff - \$25.00 per guest per day
